

Residents of Buena Vista North and South,

The BVA Board is pleased to announce that dumpsters for large item disposal will be provided on January 3rd, 2026. The dumpster will be available at the South Hall between the hours of 9:00 AM and 12:00 PM unless the dumpster is full for those who are not under a suspension for trash. Please deliver your items to the south hall as there will be no curbside pickup. Please make sure you bring proof of residency. No regular garbage will be accepted. We encourage all residents to take advantage of this service for the proper disposal of large items.
