**North Hall** - Location 2039 Orange Drive

**South Hall** - Location 4212 Buena Vista Lane

To start off a reminder all Events / activities happens because of its Volunteer Members .

We are a very active and involved Community with many things to do on a regular basis. When you volunteer you change the community for the better and volunteers often find that they " get more than they give" when providing service.

Check out the following activities at the Club House. You are invited to participate in any of the activities in either Club House, but your dues are paid to only one Club House North or South and you will have a vote in only the Club House that your home is located in North or South. Please review the detailed map to find the boundaries of the applicable Club House for your House.

**If you would like to see Events during the summer months we require volunteers to run them. Which we don't have at this time see your Board Members to submit your name.**
