REPORTING CODE VIOLATIONS

Code Field Supervisor Pauline Smith and Code Officer Corr attended our March, 2020 Council Meeting, which was the last time we were able to have speakers due to the covid outbreak. The information contained herein is still relevant . Pauline said to call their Customer Service number 727-847-2411 to file a complaint . County Code does not work with our management company, Ameritech, because HOA covenants can be more strict and different from county codes. So first call in the complaint, then write two copies of the complaint ; one for the mailbox at the North Clubhouse and one for the complaint box in the South Clubhouse. Dawn from Ameritech will get the one from the North Clubhouse. Officer Corr will still pick up the one from the box in the South Clubhouse. Also attending our meeting were two Sheriff Deputies, Corporals Blackman and Dendler. They all answered several questions from our neighborhood.

SBVCC President, Dennis Luke

Creative Women’s Club

We have started to work on the bears this year. We are looking forward to seeing everyone on Thursdays @ 1pm. Also if you have any other projects you think we would enjoy working on, or if you want to work on your own project but would like some fun company you are welcome to come join us. CWC

BVA REPORT

Buena Vista Adventures Inc. has been able to collect from delinquent accounts owed in 2019 for a total of \$27,678.19. In 2020, \$24,083.68 was collected. There are thirty (30) payment plans completed and a further eighteen that are ongoing.

Currently there are a number of addresses suspended from garbage collection, access to the community halls and the inability to vote on HOA matters due to their poor standing with overdue accounts.

In case of a death in our community please give the name and date to Jane Hermance at 727-943-8301 She keeps the records for the South Hall

Remove a splinter easily by applying a paste of baking soda and water, then waiting several minutes for the splinter to pop out of the skin.
