

Civic Meeting North Hall

March 1, 2021

Meeting opened at 7 PM by Don Henry President

Our lawyer has advised us that putting liens on properties is a waste of time and money.

If people owe more than \$1000 a foreclosure can be put on the property and abandon property

It can be cleaned up and sold. No payment will be accepted if they receive a foreclosure notice.

The fence is coming down at the horseshoe pit. One pit will be left open for a while to see if any one uses it, if not it will be removed also.

Fining committee will be meeting this month. 38 letters were sent out 15 of those folks have not fixed the

properties up and have received letters to meet with committee. They can appeal the fine which has been set by

the BVA board. The fine cannot go any higher than \$1000 per fine, IE if more than one fine on property it can add up.

meeting adjourned at 7:35 PM
