Property on Orange Dr. Jackie Clemens explained how it was inherited by the club from the county when it didn't sell by auction by the county, and we were not made aware of this until this past year. After some discussion a motion was put forth by Deb Barlow and seconded by Len Whittaker that the taxes be paid. A second motion by Juliee Fitze seconded by Deb Barlow, that the HOA fees be paid. A third motion by Juliee Fitze and seconded by Deb Barlow that the property be cleared of debris and the grass be cut and the club pay the fees. AIF. This may make the property more attractive for the sale, for the asking price of \$12,000.
