Wednesday 4th

Megan Leavey: The true life story of Megan Leavey, a young Marine corporal whose unique discipline and bond with a military combat dog saved many lives during her deployment in Iraq.

Assigned to clean up the K-9 unit after a disciplinary hearing. Leavey starts to identify with Rex, a particularly aggressive dog that she trains. Over the course of their service, Megan and Rex complete more than 100 missions until an improvised explosive device injures both, putting their fates in jeopardy.

Wednesday 18th

Dreamer: Ben Crane (Kurt Russell) is a horse trainer who is struggling to connect with his precocious daughter, Cale (Dakota Fanning). But then a horse by the name of Sonador suffers a broken leg after it's evil owner (David Morse) races her despite Ben's advice. Rather than put his client's injured horse down. Ben adopts her and welcomes Cale into the family business. They train Sonador to race again as grouchy but kind-hearted Grandpa (Kris Kristofferson) lends his encouragement.
