

NORTH BUENA

VISTA NEWS

NEW BEGININGS

So many things have happened around here in such a short amount of time. It didn't start out that way, but it ended up that way. As all of you know, Don said he was going to stay on as President of the North Hall because he didn't see his house selling like it did.

The next week they got a firm offer and had to be on their way within weeks. Don and Tina were a big part of our community, and we appreciate all they did. Now, our work begins. It is our time and opportunity to step up and volunteer. There are so many tasks that need doing so we need your help. Some have already stepped forward and taken on a new role here at the North Hall. Thank you to the new people and couples that are now involved.

I am one of these individuals. I was approached to take on the role of editor of our newsletter and help with the North Hall Website. The last time I was an editor, it was back when we used Gestetner copiers. Some of you may remember those. Over the last thirty or so years I have written weekly blogs that are of a spiritual nature.

This helps but recent technology is not my area of immense knowledge. But here I am trying to do my best. Currently, we need others to join us as we move forward. As with me we do not need experts, but we need people who will fill in to get things done hand in hand. Join us and let us get going and growing. Before we know it, November will be here, and the need will be there in front of us. Think about this and there will be a place for you.

Have a great summer. Looking forward to seeing everyone back come fall or winter. If you want to contact me about what's going to be in the new newsletter, write me at; barlowrw@yahoo.com

Talk care, Peace, Robin Barlow

If You Need a Doctor

Last year I needed a doctor, and someone mentioned the Walmart Health Centre at Hwy 54 & Little Rd. I went there and it was so helpful for me. The address is 8901 State Road 54, New Port Richey, FL 34655. Walmart closed all their medical offices, but Conviva Physician Group took over having the same doctor. His name is George Toth. Board Certified Family Medicine. Here is their contact information.

www.convivaphysicians.com

Office Phone: 727-516-8802

I have never recommended a doctor until I met George. He is personable, thorough, and very helpful in so many ways. If you need a doctor, call, you won't be disappointed.

One more thing: you need to have a medical plan like Medicaid and Medicare
