

NORTH BUENA VISTA NEWS

NOVEMBER 2025

We want to welcome back those who have already arrived early. In the next few weeks, more will be arriving. We hope they will be coming and again residing with the rest of us. And for all those who are permanent residence, we are glad you are still here enjoying year round warm weather. Hopefully this coming winter season will be just a little warmer than last year. We also pray for uninterrupted sunshine and the storms either pass us by or all Florida is kept safe weather wise.

The migration will take a little while longer for most of the snowbirds to finally arrived and get settled back into the routine of southern life once more. Most will probably be showing up after the Christmas Time. This year there is also another impact for many Canadians and their arrival or not. There are a number of reasons for us Canadians to stay home and it has impacted our decision for coming down or not.

As more people drive or fly, we are all going to experience another great year. I hope we are all looking forward to seeing each other once more. And that all who are here and those that come will continue to join into all the activities that we are planning for one and all.
Robin Barlow

Sandy's BVA Hours:

They are posted on the door at the North Hall. If you have any questions about your dues, you can contact her at **727-934-6167** during office hours. These hours are taking into consideration your daily schedules.

Large Item Dumpster Days:

There is another change for our large item removal. We are setting up dates for obtaining dumpsters for large items disposal come December. Dates will be announced in next month's newsletter. **NO TIRES, TELEVISIONS OR HAZARDOUS WASTE IS ALLOWED!**

Recycle Pick Up:

One part of our garbage pick-up seems to lagging behind. Every Wednesday the garbage company goes through our park to pick up recycle items. Many Canadians and some of the other residents take advantage of this service. When we all pitch in it removes a lot of recycle items that can save the environment to benefit our landfills etc. Help us all by checking out what is needed to participate, I use a plastic bin to go to the curb on Wednesday. The items include: Hard Plastic (no #7 plastic), Paper and Cardboard, and all metal containers, including copper, steel, aluminum, etc.

Hosting Potluck Thanksgiving Dinner

Our yearly potluck Thanksgiving Dinner will be on Thursday November 27th at 4 pm. The North Hall will provide the meat, stuffing, gravy, dinner rolls, tea and coffee. The rest of the goodies are up to you. Please provide your own service items. The South Hall is providing a Potluck Christmas Dinner on Christmas Day at 1pm for both halls. They will be providing the meat, stuffing, gravy, coffee and tea. Your favourite side dish will be greatly appreciated. Don't forget! You'll need to provide your own service items.

Celebration of Life

Many of us had heard over the summer of Mary's husband, Paul Brady's passing. There is an open invitation to all to attend the Celebration of Life service being held at the South Hall on Saturday November 22, 2025 from 2 till 4pm in his honor. He will be greatly missed.
